

# Veterinary care shampoo

*chlorhexidine ▪ neem oil ▪ tea tree ▪ bentonite clay*

## CLEANSING REGENERATING MOISTURIZING SUITABLE FOR SKIN PROBLEMS

Volume: 250 ml / 500 ml / 1000 ml, for horses and dogs

Veterinary shampoo enriched with chlorhexidine, neem oil, tea tree and bentonite clay, which helps reduce microbial load, including fungi, and can help protect against insects and other parasites. The combination of substances in the care shampoo helps with skin and fur problems in horses and dogs. It helps suppress inflammatory processes and relieves itching. Suitable as a supportive agent for fungal and bacterial diseases, eczema, hyperkeratosis, but also as a cleansing bath for preventing the occurrence of skin diseases. The shampoo has excellent cleansing, regenerating and moisturizing properties.

**Manner of application:** Apply the required amount of product to the moistened hair and rub into the hair and skin. Leave on for 5 to 10 minutes and rinse thoroughly with clean water. Repeat as needed and according to the condition of skin and hair.
