

FEATHERS AND SKIN CARE

mineral oil ▪ sulphur

Veterinary product with a beneficial effect on skin problems in horses

Volume (1 l, 2 l, 5 l)

Mineral oil with sulphur for the care of horse's feathers and skin. Sulphur has antibacterial, antifungal, antiparasitic and keratolytic effects. Mineral oil keeps feathers clean and soft. The product has a beneficial effect on skin problems and unpleasant itching, and helps remove small scabs, dandruff and horny skin. The product can be applied to the skin anywhere on the body.

Manner of use: For external use only, for application to the skin (do not apply to open wounds).

Try the product on small parts of the skin before use (may cause irritation).

Do not apply in direct sunlight!

Shake well before use!

For animals only!

Recommended dosage: Apply a sufficient amount to the skin under feathers, rub in and brush the feathers. To achieve the optimal result, apply regularly as needed, even several times a month, or more often if necessary.

CAUTION

Causes skin irritation.

Causes serious eye irritation.

Wash hands thoroughly with soap and water after handling.

Wear protective gloves and eye protection.

IF ON SKIN: Wash with plenty of soap and water. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If skin irritation occurs: Get medical advice/attention.

If eye irritation persists: Get medical advice/attention. Take off contaminated clothing and wash it before reuse.

Disposal of product residues: Do not empty the product into drains, dispose of it at a hazardous waste collection point.

Storage conditions:

Keep out of reach of children!

Store in a dry place at 5–25 °C.

Keep away from direct sunlight!

Best before: 3 years from the date of production

Batch number / date of production: see the packaging
